## **Using of cookies**

Our website uses cookies to save a number of options in the course of website operation.

Cookies are files with information used by websites for traffic recording. Cookies contain small parts of text and are used to store information about operation of browsers. These files are sent by a web-server and stored on the user's computer.

The information we receive through cookies is confidential, it does not contain any personal data and is not directly associated with any particular user.

If you worry about using cookies, you can install your browser's options to notify you about using cookies or to disable cookies completely. You should understand that prohibiting use of these files may restrict access to certain types of content or may cause deactivation of certain functions of our website.

Check your browser's settings for more information about how you can manage the use of cookies in your browser.

Apart from our own cookies the analytical cookies of the third parties can also be used for collection of the anonymous statistical information about the use of our site. Our site uses Google Analytics tools.

## **About using Google Analytics**

We use Google Analytics service to analyze the effectiveness of the website and to make it more convenient and useful.

Data transferred while using website via software installed on your device can be collected for functioning Google Analytics service; such data include IP-address, information from cookies, information about browser, access time, address of the page requested, etc.

Click the link below for details of Google processing the information obtained from websites and applications, which use Google services: <https://policies.google.com/technologies/partner-sites?hl=ru>.

You can also use Google Analytics Blocker. Click the link below for details of using the Blocker: <https://tools.google.com/dlpage/gaoptout/>.

## **How to find out about changes in this Policy?**

As the website grows and develops, and Internet industry legislation and technologies change, we can amend our Privacy Policy from time to time. All the amendments will be published on the website <http://sozopolflats.com/>. The amended Policy published on the website should be considered as an actual notification sent personally to the user of website.
